AT THE OLD VICARAGE, BRIDGWATER

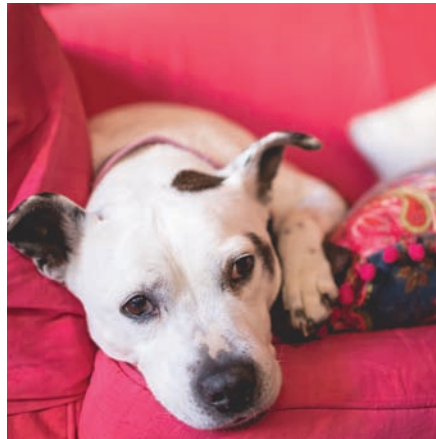

Why choose The Old Vicarage?

First of all, congratulations on your engagement and thank you for your interest in the Old Vicarage, our Grade II listed hotel in the heart of Somerset. Our charming, chic hotel is just bursting with character and steeped in history.

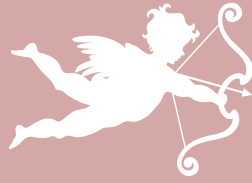

It is the perfect venue for a truly unique wedding.

You can hold your reception indoors and enjoy our eclectic, very well stocked bar, cosy sitting room with a huge inglenook fireplace and oak panelled dining room or outside in our secluded south facing walled gardens with a brand new marquee. You will be spoilt for choice as to where to have your photos taken.

We have been arranging bespoke weddings for 18 years and are a family run business so you are guaranteed a personal service from Candy, Peter and their trusted friendly team. We promise that we will make your wedding one to remember, not just for you, but for your friends and family too. Our aim is to make your special day magical and as stress free as is supremely possible.

THE OLD VICARAGE HOTEL

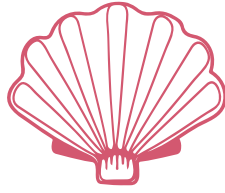

What we offer

If you would like exclusive use of the Old Vicarage we have a choice of carefully crafted packages of up to fifty people which include twelve bedrooms. Our marquee seats up to 64 guests so there is always the option to add more. As our gift to you, we also offer our beautiful bridal suite free of charge.

We are really flexible so if your numbers are larger and you need more bedrooms no problem or if you want a particular theme just let us know. Alternatively if you are looking for a more intimate wedding with smaller numbers we can put together a personalised proposal just for you.

Bespoke, unusual weddings are our speciality so if you have an idea however quirky or adventurous we can make it happen, if you want your dog to be in attendance they are warmly welcomed too.

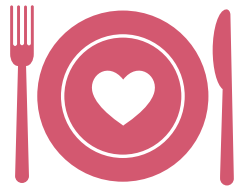

Accommodation

Our sixteen en-suite bedrooms are individually designed with views over the church or gardens and have WiFi, luxury toiletries, hypnos beds and tea/coffee making facilities. One room even has a wig cupboard and another is said to be haunted!

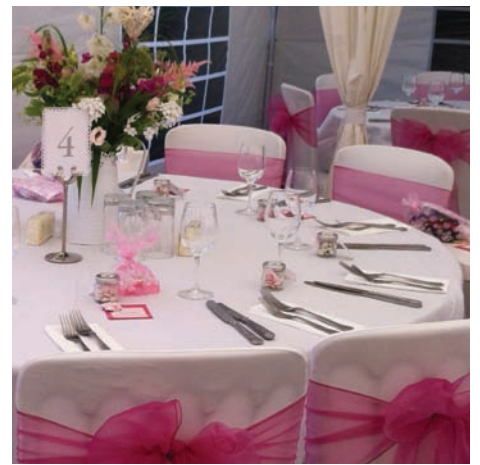

What about staying the night before with your family and bridesmaids? This will mean you can enjoy a leisurely start with Prosecco and croissants for breakfast and a relaxing and fun atmosphere for your hair and make-up.

THE OLD VICARAGE HOTEL

Every wedding will have a delicious menu as we love creating amazing dishes from the best local produce. Whether you choose a traditional wedding breakfast or want something a little more alternative - all of which can be adapted for special dietary requirements.
